LACTURE

DESCRIPTION

LACTURE is a high strength *Saccharomyces cerevisiae*, microencapsulated *Lactobacillus acidophilus*, *Streptococcus faecium* and *Bacillus subtilis* blended with digestive enzymes, manna oligosacharide and sweetener. It is good for poultry, swine, and other animals to improve the performance.

INGREDIENTS

Live *Saccharomyces cerevisiae* yeast, *Lactobacillus acidophilus* cz103 & plc 13, *Streptococcus faecium* ps303, *Bacillus subtilis* cz101, amylase, protease, cellulase, phytase, lipase, B-glucanase, dried *Aspergillus oryzae* fermentation extract, mannan oligosacharide, mineral and sweetener.

PHYSICAL CHARACTERISTICS

Whitish, free flowing powder.

RATE OF USE

0.5 to 2 kg per 1000 kg feed.

PACKAGING

LACTURE is available in 25 kilos or 55 pounds polylined bag, box or drum

SHELF LIFE

2 years in cool place.

STORAGE

GENER - PYK™

Microbial supplement designed for all livestock. Provides high levels of microorganisms, including intestinal origin bacteria, digestive enzymes, mannanoligosaccharides and kelp.

Key Features:

- Live Microbials: 8 species

<i>Lactobacillus acidophilus</i>	<i>Lactobacillus casei</i>
<i>Lactobacillus lactis</i>	<i>Pediococcus cerevisiae</i>
<i>Streptococcus faecium</i>	<i>Saccharomyces cerevisiae</i>
<i>Bacillus subtilis</i>	<i>Bacillus licheniformis</i>

- Includes colonizing, intestinal Lactic Acid Bacteria
- Includes live cell yeast which produce enzymes and B vitamins
- Digestive Enzymes -- Amylase (starch), Cellulase (fiber), Lipase (fat), Pectinase (complex sugars), Protease (protein)
- Mannanoligosaccharides - bind pathogens and toxins
- Kelp as a potent, natural source of vitamins and trace minerals

Benefits:

- Stimulates appetite, increases dry matter intake
- Improves digestion, feed utilization
- DMI + digestion = more production (milk and meat)
- Helps animals overcome stress conditions -- less production loss
- Ideal for calf starter and grower grain mixes
- Excellent for all livestock including horses and small ruminants

GUARANTEED ANALYSIS: (per pound)

Lactic Acid Bacteria (Lactobacillus acidophilus, Lactobacillus casei, Lactobacillus lactis, Pediococcus cerevisiae, Streptococcus faecium) - 100 billion CFU	Bacillus species (B. licheniformis, B. subtilis) - 20 billion CFU
Live cell yeast (Saccharomyces cerevisiae) - 300 billion CFU	Amylase - 70,000 Units
Cellulase - 10,000 Units	Lipase - 10,000 Units
Units Pectinase - 1,000 Units	Protease - 125,000 Units

Ingredients:

Dried kelp, yeast culture, dried whey, cane molasses, dried yeast and fermentation solubles, Torula dried yeast, dried fermentation products of Bacillus licheniformis, Bacillus subtilis, Lactobacillus acidophilus, Lactobacillus casei, Lactobacillus lactis, Pediococcus cerevisiae, Saccharomyces cerevisiae, Streptococcus faecium; dried fermentation extracts of Aspergillus niger, Aspergillus oryzae, Bacillus subtilis, Rhizopus sp., Trichoderma sp.; mineral oil.

Recommended uses:

Feed to any livestock as a source of probiotic cultures and their nutrilytes. Applications include stress periods, weaning, neonatal rations, before and after shipping, high production or performance animals, cows at calving, as part of intensive breeding programs, during ration and weather changes.

Application/Feeding Directions:

Top dress, mix in grain mixes, soft feeds or in total ration at the following rates:

- Cattle: Feed 1/2 to 1 ounce per head daily for 3 to 7 days or... 1 pound/50 head/day for dairy cattle... 1 pound/100 head/day for beef cattle, feeder steers, breeding age heifers and calves.
- Horses: 1/4 to 1/2 ounce daily, depending on size.
- Swine: 1 pound/100 head/day.
- Poultry: 1 pound/500 birds/day.
- Small ruminants: 1 pound/100 head/day.

NATURADE

Milk & Egg Protein

All Natural, Easy to Digest Formula with Acidophilus, Balanced Amino Acids, Vitamins and Minerals

- Add to Milk or Juice for a Delicious Protein Shake
- With Lactase Enzyme (for better Milk Digestion)
- Promotes Energy
- No Sugar Added
- Builds Tissue

1 lb (454 g)

Ingredients:

Protein Blend (Whey Protein Concentrate, Calcium Caseinate, Nonfat Dry Milk, Sweet Dairy Whey, Egg Albumin, Enzyme Digest of Whey Protein, Yogurt Powder), Natural Flavors, Potassium Gluconate, Tricalcium Phosphate, Magnesium Oxide, Soy Lecithin, Choline Bitartrate, Enzyme Mix (Lactase, Papain, Bromelain), Medium Chain Triglycerides, Ascorbic Acid, DL-Alpha Tocopheryl Acetate, Ferrous Fumarate, Lactobacillus Acidophilus, Niacinamide, Zinc Oxide, Copper Gluconate, Beta Carotene, D-Calcium Pantothenate, Para Amino Benzoic Acid (PABA), Inositol, Pyridoxine Hydrochloride, Riboflavin, Thiamin Mononitrate, Sodium Molybdate, Vitamin D3, Chromium Picolinate, Folic Acid, Biotin, Potassium Iodide, Sodium Selenite, Manganese Gluconate, and Cyanocobalamin.

Suggested Use:

Blend of stir 1/2 cup of Milk and Egg Protein into 8 fl. oz. of nonfat milk or your favorite juice. Although an electric blender is preferable, powder will disperse readily with vigorous stirring in a glass of milk or juice. Increase or decrease the liquid for thinner or thicker consistency. Add a banana or any fresh fruit for a "meal in a glass". To enhance the flavor and weetness, you can add honey, maple syrup or any fruit syrup. In foods, this powder may be mixed with soups, mashed potatoes, cereals or gravies for an additional source of high-quality protein and amino acids. It also may be added to ground meat, hash, cookies and cakes.

Use this product as a food supplement only. Do no use for weight reduction.
